

DEPAUL UNIVERSITY

*School of Education
Human Services and Counseling Program
Clinical Application Form*

Please apply for the Clinical Experience the Winter Quarter **before** the Autumn quarter you plan to enroll in HSC 552 (Practicum). You must also attend the Clinical Experience Orientation offered in the Autumn Quarter one year before you begin the Clinical Experience courses.

Step 1: Applicant Information

Name: _____ DePaul ID No: _____

Address: _____ Home Phone: _____

City/State/Zip _____ Work Phone: _____

E-mail: _____ Date: _____

**Update any changes to your address, telephone numbers, or email addresses in DePaul's campus connection.*

HSC Track: ___ Community Counseling ___ School Counseling ___ Student Affairs

Step 2: Academic Information

Please Attach the Following:

1. A course history printed from campus connection. Please make sure it includes the courses for which you are currently registered. Please indicate on your course history report the courses you still have to complete.
2. An updated copy of your résumé.
3. A separate piece of paper with the answers to the following questions:
 - What do you see being your three greatest strengths as a future counselor?
 - What do you believe are three growth areas that you must continue to work on as a counselor-in-training?
 - Identify three learning goals that you will accomplish during the clinical experience?
 - Identify at least three possible clinical sites and describe the sites potential as a place where you might grow professionally as a counselor?

Step 3: Submitting the Application

Submit this completed application and other requested documents to Julie Harris, Family Lab Coordinator in SAC 212 by the deadline **prior to starting HSC 552 in the following quarter.**

I have attached the following:

- A copy of my course history.
- An updated copy of my résumé.
- The answers to the four questions.
