We’re Hiring
Behavior Line Therapist for Autism!

AHSS is seeking fun, energetic individuals to work part-time (8-12 hours per week) providing evidence-based, support therapy to children with autism spectrum and related disorders.

What we offer:
- Development in the field of Applied Behavior Analysis
- A flexible, part-time schedule
- A rewarding experience in helping children and families reach their full potential
- Best-in-class, paid training program (online and onsite) before joining a client
- Continued professional development opportunities

What will you do?
- 8-12 hours per week of structured one-on-one interaction/instruction with children with autism spectrum and related disorders in their home and/or community setting
- Behavior Line Therapists provide observational data on the learning progress of their clients using technology-based systems (iPad)
- Work under the supervision of a Board Certified Behavior Analyst and alongside a professional care team in a collaborative environment

Qualifications:
- Experience with children with special needs, preferably autism
- Technology proficient in Apple and/or Android devices
- Applicants must possess Our Core Values: Getting Stuff Done, Empathy, Integrity, Teamwork, and Positivity/Energy
- Experience using positive reinforcement systems preferred
- Experience implementing life skills and social skills programs preferred
- Some college experience preferred

We are excited to have you join our team!
