Admission & Registration

Admission

The admissions process is simple. It let's us know who you are and how we can serve you best as a potential IB certificate student.

Complete this on-line form and you'll be on your way.

After completion of the application, you will receive confirmation that you are ready to register.

Registration

Registration is a three step process.

Step 1. Create a DePaul account:

Step 3. "Proceed to Checkout" to complete registration.

Once you register your information will be loaded in the DePaul University on-line learning system and a username and password will be created so you can access the course. This notice will come separately. This will take 24-48 hours. If you do not receive the login credentials to access the course, please let me know so I can get it to you as soon as possible.
