Good Standing: Upon completing doctoral coursework, Students are enrolled in a Good Standing course quarterly. This ensures that Students can continue to access university resources, such as the library, and defer loan payment until graduation. Once per year, Students must sign a Good Standing Acknowledgment to maintain their status in their program. Students are charged a fee of \$75 per quarter that they are enrolled in Good Standing. The fee appears as a tuition charge in Campus Connect.

Student Health Insurance Plan: Plan: Students will be automatically enrolled annually in the Student Health Insurance Plan if they do not opt out by waiving their coverage. Reminders to waive coverage are sent by noreply@ahpcare.com. Students must submit proof of active, comparable insurance to waive coverage.

Acknowledgement: I understand that by signing this form I confirm that I am working towards a Doctoral dissertation or capstone, and I agree to work closely with the faculty member chairing my project during the next year.

I consent to being enrolled in Good Standing quarterly for the next year and understand that this enrollment will be accompanied by a **fee of \$75 per quarter**.

I understand that I will be automatically enrolled in the Student Health Insurance Plan during my time as a Student in Good Standing unless I opt out by submitting a waiver.
